

Doctor W I L L A R D,

(Lately arrived from FRANCE)

BEGS Leave to acquaint the Nobility, Gentry, and Public in general, that he cures all Sorts of Corns in a few Minutes, let them be ever so bad or of long standing, without the least Pain or Bloodshed.

Ladies and Gentlemen who chuse to be constantly attended upon by the Year, he engages that they shall be free from Corns or bad Nails.

The most violent Tooth Ach cured in an Instant, he draws the most difficult Teeth, and puts in Artificial Ones to imitate Nature.

Also clears the Teeth of their Foulness and Tartar without Pain, if ever so black or yellow in a few Minutes. Stops hollow Teeth with Gold or Lead to prevent decaying or aching.

Persons who are troubled with an offensive Breath, or a disagreeable Taste in their Mouth, may be effectually cured.

Any Person labouring under a certain Disorder, may have proper Advice and Medicines for it at very moderate Terms, and cures the above Disorder without the least Partical of Mercury let it be ever so bad.

The Doctor may be spoke with in several Languages, at No. 328, near the New Church, Strand.

N.B. A Private Door and commodious Appartments to receive Ladies or Gentlemen.
